

# PORTABLE PROFITABILITY

# NURIT 8020

HERE, THERE, EVERYWHERE  
KEEPS BUSINESS MOVING

The NURIT 8020 accepts payments anywhere. With its lightweight, wireless design and touch screen electronic signature capture, customers can approve transactions on the go. The NURIT 8020 features a large, backlit display and keypad, making it easy to view even in dim lighting. Credit, debit, EBT and value-added transactions are all processed quickly and conveniently. And its advanced anti-fraud features protect transactions, data and your peace of mind. The NURIT 8020. Handy is an understatement.
